Mentor Employee Assistance Programme (EAP)

A blend of proactive and preventative support through an EAP that can help boost employees' mental, physical, and financial wellbeing. There is easy, direct access to solutions focused support 24/7, 365 days a year. There is also access to highly qualified, experienced counsellors to help your people find the right way forward. For added peace of mind, our EAP is APPTS recognised (Accredited Programme for Psychological Therapies Services). In addition, our premium package provides additional benefits such as Family Care, Online GP and a Legal Assistance Helpline.

For Everyone
